

Seeking Part-Time Independent Contractors!

Champagne Counselling and Therapy Services (CCTS) is a newly established Private Practice based out of Timmins, but offering Services all over Ontario! The practice is growing and welcomes applications from skilled Registered Social Workers / Psychotherapists. Those interested should be passionate about supporting Youth, Adults, Couples and Families and **are qualified to provide the Controlled act of Psychotherapy.**

About CCTS: Champagne Counselling and Therapy Services utilizes the approach of acknowledging and overcoming the root cause of problematic behaviors and working on achieving ***One's Maximum Potential.*** We work with a client centered approach combined with the fundamental belief that change is always possible while respecting client's right to self-determination.

Why work for CCTS: Enjoy the benefits of a Private Practice / Self-Employment style of work without having the administrative and marketing tasks to worry about. This position has the flexibility of working remotely in addition to in person, as required by client needs, along with scheduling your own hours of work. This casual position has no guaranteed hours, it is likely that you will build up to working 10-12 clients bi-weekly.

Educational Qualifications Requirements:

- Master's degree from social work, psychology, counselling psychology, or other related fields and Asset.
- Bachelor's degree from Social Work required.
- Registered and in good standing with their governing body.
- Private professional liability insurance, required.
- Experience working with racialized communities in a culturally informed manner.

Deadline: November 14th, 2024 – 4:00pm

Please submit Resumes + Cover Letters to info@patchampagne.com

We encourage Indigenous Candidates to Self-Identify in application process

“We thank all applicants for their interest, successful candidates will be contacted for further interview”
